Alexandria, VA 22313-1450

Dear Sir:

On August 10, 2005, the United States Patent and Trademark Office sent a Notification of Missing Requirements with respect to the above-identified matter indicating that an executed declaration was not provided for this application. The Notification of Missing Requirements is improper in view of the papers filed on June 20, 2005.

The facts to support this request are set forth below:

On June 20, 2005, Applicants, through the undersigned attorney, submitted the executed declaration.

The papers filed were identified on the stamped original postcard with the stamp of the Mail Room for the Patent and Trademark Office indicating receipt of the executed declaration on June 20, 2005. Therefore, the Office did timely receive the executed declaration.

Although it is believed Applicants did file the executed declaration together with the original application as evidenced by the enclosed copy of the return postcard, enclosed herewith is a copy of the executed declaration as originally submitted.

In view of the foregoing, Applicants request that the Notification of Missing Requirements be withdrawn.

It is believed that no fee has been incurred by filing this Request. However, if any charges be necessary, please charge to our Deposit Account No. 18-0013.

Dated: August 18, 2005

Respectfully submitted,

By
